Finding Journal Articles Online *Social Science focus*
Learn how to find full text articles online, how to discover the best databases for articles on a given topic, and how to use these resources effectively through online demonstration and hands-on instruction.
Monday, October 6th, 11:00-11:50pm
Research Library West Electronic Classroom, room 23167 (map)
Thursday, October 9th, 1:00-1:50pm
Research Library East Electronic Classroom, room 21536 (map)

Accessing History Resources at UCLA
Aimed at anyone who utilizes history resources in their graduate research, this workshop provides an overview of the print and electronic resources available at UCLA, including articles databases, reference sources, oral histories, newspapers, and other primary sources.
Monday, October 6th, 1:00-2:30pm
Research Library East Electronic Classroom, room 21536

EndNote
This session offers a basic overview of the purpose, uses, and features of EndNote, a program that helps researchers manage references and produce bibliographies for projects large and small.
*Tuesday, October 7th, 1:00-2:30pm
Research Library East Electronic Classroom, room 21536
*Wednesday, October 15th, 10:30am-12:00pm
Research Library East Electronic Classroom, room 21536
*Thursday, October 23rd, 2:00-3:30pm
Research Library West Electronic Classroom, room 23167

Strategies for Writing the Social Sciences Dissertation Proposal
This workshop will give an overview of the main components of a dissertation proposal in the social sciences and cover strategies for writing the introduction, literature review, methods, and significance sections. These strategies should be adapted to your department’s and advisor’s expectations about the structure and content of your proposal. Please bring two copies of your abstract to this workshop.
Thursday, September 30th, 5:00-7:00pm
Conference Room 4, Student Activities Center (basement level)

Applying for the NSF Graduate Research Fellowship
This workshop will discuss strategies for applying for the National Science Foundation Graduate Research Fellowship. Open to US citizens in the Social, Biological, and Physical Sciences, this highly competitive fellowship provides three years of fellowship funding to successful applicants. The workshop will focus on the merit criteria for NSF grants, the structure of the proposal, suggestions for writing style, and technical details of Fastlane submission.
Tuesday, October 7th, 4:00-6:00
Conference Room 4, Student Activities Center (basement level)

Strategies for Writing Graduate Course Papers in the Social Sciences
In this workshop we will discuss ways to develop papers for graduate courses, including how to develop a more complex thesis and how to write a literature review. We will also review general writing and revision strategies.
Tuesday, November 18th, 4:00-6:00pm
Conference Room 4, Student Activities Center (basement level)

UCLA Statistical Consulting Group - Statistical Software Workshops
Programming in Stata: Wednesday, October 8th, 10am-noon
