Applying for the NSF Graduate Research Fellowship

This workshop will discuss strategies for applying for the National Science Foundation Graduate Research Fellowship. Open to US citizens in the Social, Biological, and Physical Sciences, this highly competitive fellowship provides three years of fellowship funding to successful applicants. The workshop will focus on the merit criteria for NSF grants, the structure of the proposal, suggestions for writing style, and technical details of FastLane submission.

Thursday, September 24th, 5:15-6:45pm
Location: Conference Room 1, Student Activities Center (basement level)

EndNote

This session offers a basic overview of the purpose, uses, and features of EndNote, a software program that helps researchers manage their research and produce bibliographies for projects large and small.

For more information on ATS Stats Group live seminars, consult their website:
http://statistics.ats.ucla.edu/stat/Schedule/walk_in.htm (scroll towards the bottom of the page)
There are also links to previously-recorded seminars and information about drop-in statistical consulting.

Resources for Thesis and Dissertation Writers

During winter and spring quarters, the Graduate Writing Center offers workshops and facilitated writing groups for students writing master’s theses. Writing groups are facilitated by a trained GWC writing consultant who provides tips on general writing and revision strategies as well as specific aspects of a thesis. We also have special workshops and multi-session summer programs on dissertation writing and dissertation proposals.

Writing group information on website:  http://gsa.asucla.ucla.edu/gsrc/gwc/content/writing_groups.htm

Workshops in Later Quarters Cover:
Dissertation Proposals, Dissertation Writing, Powerpoint Presentations, Writing and Publishing Articles, Statistical Writing, & many other topics...

Workshop schedule and location details are subject to change. Please check our website for the most up-to-date information: http://gsa.asucla.ucla.edu/gsrc/gwc/events/gwc_workshops.htm
